New Arthritis Support Group Forming

A new support group for people with arthritis will begin meeting on Tuesday, Oct. 4, at 7 p.m. The first meeting will consist of conducting a needs assessment to see what arthritis topics people would be interested in learning about in the coming months. After these topics are determined, future meetings will feature speakers discussing those topics.

The meeting will be held at South Central District Health, located on the College of Southern Idaho campus. People attending the meeting should use the north entrance of the District Health building.

The Arthritis Support Group meeting is open to the public and there is no charge to attend. The group will meet regularly at 7 p.m. on the first Tuesday of each month at South Central District Health. People with all types of arthritis and fibromyalgia are encouraged to attend.

Contact Susie Beem at 737-5946 or Mary Stireman at 736-1084 (after 7 p.m.) for more information.
